The 21st Annual Rainbow Radiothon

[presented by Petitti Garden Centers]

Twinsburg, Ohio, November 20 —Raging Wolf Solutions is proud to be promoting this year's Rainbow Radiothon for University Hospitals. This is an organization that's importance weighs heavily on all of us here at Raging Wolf Solutions.

Listeners from across northeast Ohio are encouraged to tune into Cleveland's Star 102 (and its sister stations 92.3, 104.1, 98.5) on Friday the 8th of December from 6 a.m. to 7 p.m. for the 21st Annual Rainbow Radiothon. Up until the event, we will be running promotional ads with the Radiothon team to raise awareness. During the event itself, listeners can hear morning show hosts Jen and Tim as they share the incredible stories of the love, hope, and compassion held by UH Rainbow's staff and young patients.

During the 21 years of this event, this Radiothon has collected more than \$5.7 million in donations for UH Rainbow. Each year University Hospitals receives more than 1 million patients. These donations help support programs and services that are not covered by insurance, as well as new treatments and cutting-edge research that can improve the lives of children. All of this is made possible by the generous donations and support of the community. You can join this amazing cause and make a difference for the kids at UH Rainbow.

"Together, we are **Advancing the Science of Health and the Art of Compassion.**"
